

CENTRAL INTELLIGENCE AGENCY

OFFICE OF THE DEPUTY DIRECTOR

7 May 1984

NOTE FOR: DCI

FROM: EA/DDCI

1. On Thursday, Senator Moynihan's office requested that we pass on the following message to John: "Dear John: Do you realize your institution is crumbling while you are traveling? Must see you as soon as you return. Senator Moynihan."

2. John has received the above and requested that we pass on the following to Senator Moynihan if it's okay with you. "Dear Senator Moynihan. Your note struck home since I did considerable agonizing whether to embark on this long planned trip with the Washington furor in full swing. I decided on staying with the trip since many foreign contacts were involved and the overseas vineyards have to be worked. Contrary to your concern our Agency is alive and well. While our NATO friends have to be nudged, nurtured and attended to, our operations have never been better -- a good fortune for our country in these troubled times.

Bill Casey has advised me that you are staying on as Vice-Chairman which is a good and healthy sign. I look forward to your continued full support. Our Agency deserves nothing less. I have asked for a meeting with you at your earliest convenience."
